To Whom It May Concern:

This is to acknowledge that Pascale Antetomaso served as a visiting dance professor at the Ellison Ballet Summer Intensive 2010. Ms. Antetomaso provided instruction to Intermediate and Advanced level students in Classical, Barre a Terre and in Contemporary Neo-Classical dance.

It was a pleasure to have Ms. Antetomaso join our faculty. Her professionalism, expertise, dedication to her art and love of teaching were always evident. Her classes were both challenging and varied; her energy, enthusiasm, infectious sense of humor and ability to motivate the students to always strive to achieve a greater level of excellence in their dancing made her classes favorites among all of the students.

Without hesitation, I highly recommend Ms. Antetomaso as a dance professor. It would be my privilege and honor to have her return to teach at Ellison Ballet.

Sincerely,

Edward Ellison  
Artistic Director
